## Maple Park Middle School & Advanced Health Chiropractic become Partners in Education

From left are **Dr. Cheryl Pauls** and **Dr. Noelle Van Meter** of Advanced Health Chiropractic with Maple Park Principal **Charlotte Sands**, North Kansas City Schools Supt. **Tom Cummings**, and **Tammy Stone**, North Kansas City Schools executive director of community relations. Maple Park became Partners in Education in November with Advanced Health Chiropractic, 244 N.E. U.S. 69 Highway.

The Partners in Education Program links area businesses and community organizations with schools. Its goal is to provide students with increased learning opportunities and to help them better understand these links between education and business.

For more information, contact **Diana Duffy**, Community Relations for North Kansas City Schools, at **(816) 413-5047**.
